

The 25th IEEE

Hiroshima Section Student Symposium

~Technological Innovation for the Next 25 years!~

November 25th – 26th 2023
in Shimane

Sponsored by IEEE Hiroshima branch

Introduction to HISS

This time, IEEE Hiroshima section will hold the 25th IEEE Hiroshima Section Student Symposium (HISS). HISS is an event, "for society by student" mainly planned and managed by the students.

About the IEEE

IEEE (Institute of Electrical and Electronics Engineers) is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity. IEEE and its members inspire a global community through its highly cited publications, conferences, technology standards, and professional and educational activities. There are more than 100,000 student members in over 160 countries. These student members contribute to the growth and vitality of IEEE.

Symposium Date and Venue

Date: November 25th and 26th, 2023

Place: Shimane University, Matsue Campus

Position: 1060 Nishikawatsu-cho, Matsue-shi, Shimane
690-0823

Technical Presentation

In this symposium, we will provide Technical Presentation as a place for student presentations. The Technical Presentation is the announcement method which encourages the exchange of opinions between a general participant and the presenter. Presenters can use various research equipment's during Technical Session. In International (English) Session, the presenter makes a poster in English. During Technical Session, the presenter describes his/her poster in English.

Paper Submission

Those who participate in this symposium, you need to register the information on your paper first. Registration contents include "title of a research", "author", "field" and "summary (about 300 words)". For that summary, please write down clearly and simply. Then, after registering information, you need to submit a paper for review before ~~August 28th~~ **September 4th**. Whether your paper is accepted for presentation or not is decided based on peer reviews. Finally, the selected authors must submit "the final manuscript (camera-ready)" before **October 27th** in consideration of the comments from the reviewers and do a technical presentation at the venue based on "the final manuscript (camera-ready)" within two days.

Prepublication Paper

Please send a PDF file (up to 5MB) of your paper to the following address.

E-mail :

In the email, please include your name, address, and affiliation.

Important Dates for Authors

Deadline for Abstract Submission:

September 4th, Monday

Notification of Acceptance:

October 13th, Friday

Deadline for Final Paper Submission:

October 27th, Friday

HISS Awards

The 25th IEEE Hiroshima Section Student Symposium will be developing students so that they can act voluntarily and tell their own ideas and research results clearly to people, and we have established an award system. The IEEE Hiroshima Section and 24th HISS executive committee provide HISS Research Award, HISS Presentation Award, and HISS English Presentation Award for excellent paper presentations.
